

Water Service Materials Inventory

In accordance with the requirements of New Jersey's Lead Service Line Replacement Bill (NJ Bill A5343/S3398), the attached document identifies the locations and composition of all of the service lines within our water system. Note that some of these materials may be unknown, as we are still working to identify the composition of some services.

Key

L	Lead
G	Galvanized (Steel)
C	Coper
UL	Lead Status Unknown
NL	Non-lead
UX	Unknown
